

FINE FREE DAY

March 20th - ONE DAY ONLY!

We're kicking off March 20th with a **FINE FREE DAY**. This gives patrons the opportunity to bring back overdue items with no charge of late fees. A little reluctant to stop in with your overdue item? Simply drop your overdue items into the Drive-up Book Return and we'll take care of the fines. This service does not apply to damaged items or materials overdue for more than 12 months.

Have questions about the status of your library account?

JUST A REMINDER...

No Overdue Fines for Library Material Selected from the Youth Services Department.

Although MRL encourage children, parents and caregivers to return their library materials on time, the library waives overdue fines on materials selected from the Youth Services Department. We are pleased to offer this policy to support young Library users in their reading journey. Lost and damage fees will still be in place.
