***The Physick Book of Deliverance Dane* by Katherine Howe**

Harvard graduate student Connie Goodwin needs to spend her summer doing research for her doctoral dissertation. But when her mother asks her to handle the sale of Connie's grandmother's abandoned home near Salem, she can't refuse. As she is drawn deeper into the mysteries of the family house, Connie discovers an ancient key within a seventeenth-century Bible. The key contains a yellowing fragment of parchment with a name written upon it: Deliverance Dane. This discovery launches Connie on a quest—to find out who this woman was and to unearth a rare artifact of singular power: a physick book, its pages a secret repository for lost knowledge.

***A Sister to Honor* by Lucy Ferriss**

Afia Satar is studious, modest, and devout. The daughter of a landholding family in northern Pakistan, Afia has enrolled in an American college with the dream of returning to her country as a doctor. But when a photo surfaces online of Afia holding hands with an American boy, she is suddenly no longer safe—even from the family that cherishes her.

Rising sports star Shahid Satar has been entrusted by his family to watch over Afia in this strange New England landscape. He has sworn to protect his beloved sister from the dangerous customs of America, from its loose morals and easy virtue. Shahid was the one who convinced their parents to allow her to come to the United States. He never imagined he'd be ordered to cleanse the stain of her shame...

***Ready Player One* by Ernest Cline**

In the year 2045, reality is an ugly place. The only time teenage Wade Watts really feels alive is when he's jacked into the virtual utopia known as the OASIS. Wade's devoted his life to studying the puzzles hidden within this world's digital confines—puzzles that are based on their creator's obsession with the pop culture of decades past and that promise massive power and fortune to whoever can unlock them.
