WELCOME!

Our imaginative and colorful public library is a natural place for children and their families to spend time interacting, learning, and playing. We are glad you are here! We encourage you to get to know our library staff who can offer a wealth of information to assist you.

If you are a caseworker who regularly provides supervised visits, our staff can share the times of week when the youth services area tends to be the quietest for your convenience. Our program room may also be available for use. (Please ask at the Youth Services desk for available times to use the program room for your supervised visit. Planning ahead makes for a much more pleasant library experience.)

Food and drinks are allowed in the Morrisson-Reeves Library under the following conditions:

- Drinks must be in sturdy, unbreakable, spill-resistant, securely closed containers. (Unfortunately, fast food drinks with flimsy plastic lids are not secure.)
- Foods that are hot, smelly, greasy, or messy are not allowed.
- Patrons are expected to clean up after themselves. Wrappers, crumbs, etc., should be disposed of in the appropriate trash container. Cleaning supplies are available upon request at the Youth Services desk.
- Food and drinks are not allowed at computer stations.
- Unattended food and drink will be discarded.
- Users violating these guidelines will be asked to remove their food and drink from the Library.

For a copy of the complete Guidelines for Food and Drinks in the Library, please see an MRL employee.
